FEDEX EXPRESS EXPANDS DAILY AIR CARGO CAPACITY TO EDMONTON

MISSISSAUGA, Ont., November 20, 2012—Businesses in Northern Alberta are set to benefit from greater connectivity with markets around the world by increasing inbound and outbound air cargo capacity through Edmonton International Airport (EIA).

In a demonstration of its commitment to Alberta’s flourishing economy, Federal Express Canada Ltd. (FedEx Express Canada), a subsidiary of FedEx Corp. (NYSE: FDX), will upgrade its international freight services between Edmonton and the FedEx World Hub in Memphis, Tennessee with the deployment of a wide-bodied Airbus 310 (A310), representing an increase in air cargo capacity of more than 1600 cubic feet, or an additional 20,000 kg of daily freight over the existing volume.

CARGOJET COMMENCES OPERATIONS IN NEW MULTI-TENANT CARGO BUILDING

December 6, 2012 (Edmonton, AB)—Cargojet, Canada’s leading provider of time sensitive overnight air cargo services, has expanded operations with a newly constructed facility at Edmonton International Airport (EIA).

A group of investors led by Terracap Investments Inc. owns the new world-class, multi-tenant cargo facility, built on four acres of land at the end of the south runway. Cargojet has taken possession of approximately 8,700 square feet of the 50,000 square foot facility. The industrial and cargo distribution centre provides tenants with direct access to 236,000 sq feet of cement aircraft handling apron space, through its 40 loading doors.
